

Prabin Prasain

React Developer (3+ years of experience)

2921 Bancroft Drive, Sudbury, P3B 1T8 • 705-562-0610 • Prabin.prasain.524@gmail.com

Professional Summary

I have strong problem-solving skills, attention to detail, and a passion for writing clean, maintainable code. I'm a proactive team player who enjoys collaborating with designers, product managers, and other developers to deliver great user experiences. My expertise is in creating reusable UI components, implementing state management solutions, integrating APIs, and optimizing application performance. I am familiar with popular React frameworks such as Redux and React Router.
